Xiamen Security Science and Technology College, Xiamen Gulong sauce culture park.

Transfer to Xiamen Security Science and Technology College, observe the fighting practice, and learn self-defense skill. Interact with the school teachers and students. Visit Xiamen Gulong sauce culture park, where we see the 55559 traditional Jianggang drying field, which won the world Guinness record. Gulong literally means ancient dragon, and the park carries many dragon elements in its show rooms. It details the process of soy sauce making in different approaches, including pictures, statues and interactive activities. It also includes a La-gloire Wine Culture Center, a Rare Stone Pavilion, a vegetation maze and a Gulong products show room. Visit the museum to learn the development of soy sauce production, traditional technology to produce them.

D6

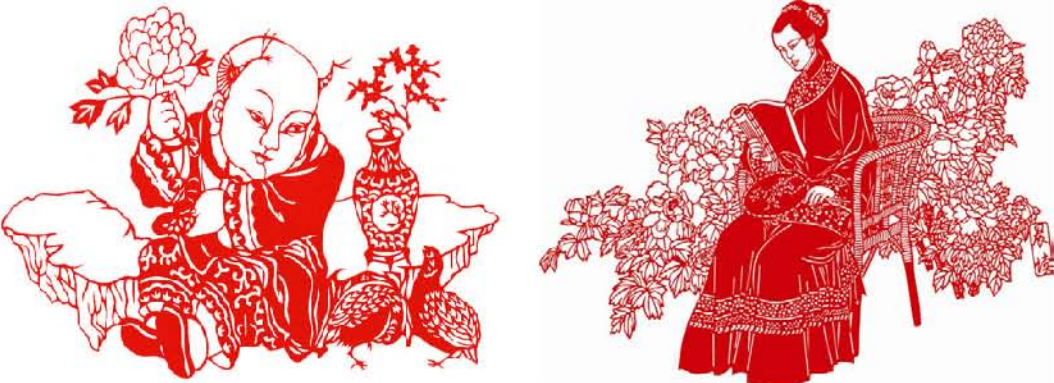

Take the ferry to Gulangyu Island, Island Ring Road, South Putuo Temple, Zhongshan Road.

After breakfast, travel to Gulangyu Island, it takes just 15 minutes by local ferry boat. There are many colonial buildings built after the Opium War, including the Britain, the America, France, German, Spain, etc. There are many famous pianists in China from this island, and the piano ownership rate is the highest in China. This beautiful island has some tourist attractions including Crag of Sunlight and Shuzhuang Garden. It is very relaxing to wander along the winding small paths and hunt for some interesting souvenirs at shops. After this, The Xiamen Island Ring Road is a 4-6 lane seaside road totally 43km in length, a green belt that offers tourists a perfect place to bike along beautiful seashores. The best part of the island ring road starts from the Baicheng Beach from Xiamen University to the Xiamen International Conference and Exhibition Center, a 10km ring road from south to the east.

D7

Xiamen Zhongshan Road, is one of China's oldest shopping street, stream of people, goods, more famous, no matter the past or now, so will be Zhongshan Road, when people mention xiamen silver like Manhattan in New York, Tokyo, Hong Kong's central district.
